

## DIRECTIONS TO OPTIPHASE

**From the South or Los Angeles International Airport.** Take the San Diego Freeway (405) NORTH. You will take it all the way to the San Fernando Valley. Get off at the Sherman Way Exit (the exit before is Victory). There are two exits for Sherman Way. Take the second one (going West) which says "To Reseda". This exit will only allow a right turn. Stay in the right lane, go under the 405 overpass and immediately take a right on Haskell Ave (first light). You will go through two lights. After the second light, we are the third structure on the right hand side clearly marked 7652. Parking is on the left hand side of the building, use parking spots marked OPTIPHASE

**From the North** Get on 405 South, after approx 4 miles exit Sherman Way (the exit actually puts you on Haskell). Make a right at the light (from the exit), go through the first light (Saticoy). Optiphase is the third structure on the right 7652 Haskell. Parking is on the left side of the building, use parking spots marked OPTIPHASE

**From Burbank Airport** Take Hollywood Way North to the Golden State Freeway (5) North. Drive approx 5 miles. Exit the Ronald Regan Freeway (118) West. Drive approx 1/2 mile. Exit the 405 freeway South. Follow the instructions "From the North."
